## WHAT IS ARCHWAY COUNSELLING ASSOCIATION?

Archway Counselling Association has been in operation since 1994. We are a community based, non-denominational, charitable organization, governed by a volunteer Board, and staffed by trained professionals. The association oversees Archway Counselling and Slate Youth Centre.

## ARCHWAY COUNSELLING

Archway Counselling is a professional counselling center for anyone in our community that is in need of help to overcome life's challenges. Our services are based on a foundation of integrity, compassion, and Christian principles. Individual, marital, and family counselling is provided for adults, youth and children. Counselling sessions focus on needs such as addictions, sexual abuse, depression, anxiety, and marital and family concerns. We also provide support to pastors through a monthly Leadership Breakfast and an annual Pastors Retreat.

Counseling services are provided by registered therapists and are open to ALL people. No referral is necessary. The counselling fees may be covered by an employee assistance program or insurance.

## SLATE YOUTH CENTRE

Slate Youth Centre first opened its doors to the youth of Truro in March 2007. We believe that youth are empowered to make healthy life decisions and to become all that they can be when they have solid adult friends and mentors who listen, advise and encourage. Offering a mix of open, self-directed drop-in and structured programs like cooking classes, creative arts and work skills, Slate has become a safe haven for youth where they not only hang out and have fun, but also participate in activities that teach valuable life and work skills. All programs are offered free-of charge, and special activities (like camping and paintball) are offered at reduced cost to reduce financial barriers for youth.

## WHY DO WE FUNDRAISE?

We are committed to offering quality, affordable services. Many of the counselling sessions are conducted at a reduced rate. Our youth services are offered without a fee to make them as accessible as possible. As a result, we rely on donations and fundraising events to make it possible for us to continue to offer these services to everyone who is in need.

We continue to grow, aided by the dedication of our volunteers, the support of our community, the favour of a loving God and the generosity of persons like you who contribute to us financially and in kind.
